

ONE

The Beachcomber is the lone restaurant facing the Atlantic on the Cape's eastern coast. The popular eatery offers wonderful steamers, lobsters, and more. Live music and beach access—and just a two-mile drive off Route 6.

1.5
The 1.5-mile Atlantic White Cedar Swamp Trail guides hikers through a swampy area that's home to a bounty of Atlantic white cedar and red maple trees. Trail scenery ranges from stunted pitch pines to heathlands. Access the trail by the Marconi Station.

THREE

With the motto, "Celebrating arts, culture and community," Wellfleet Preservation Hall is a place of learning and enrichment. Restored in 2011, it offers three function spaces for concerts, screenings, weddings, and more.

Often described as the most challenging hike on the Cape Cod National Seashore, Great Island Trail is a 7-mile round-trip trek from the trailhead at the end of Griffin Island Road to the Jeremy Point overlook (only accessible at low tide). Spectacular views!

9 HOLES

The Chequessett Yacht & Country Club has a nine-hole golf course (with different tees for 18-hole play), three tennis courts, sailing opportunities—and breathtaking views of Wellfleet Harbor.

13

Wellfleet is home to 13 freshwater kettle ponds. These fragile ecosystems are an important part of the Cape's freshwater supply. Some, including Gull and Great Pond, offer swimming access.

20+

A thriving art community, Wellfleet is home to 20-plus galleries, which exhibit the work of local and internationally renowned artists. Many galleries are open late on summer evenings.

24 in 3:07

The 15th annual Wellfleet Oyster fest will be held October 17-18. The 2014 winner, William "Chopper" Young, Jr., shucked 24 oysters in 3 minutes, 7 seconds. Chopper is the first shucker to claim four Wellfleet titles.

30

In 2015, the Wellfleet Harbor Actors Theater (WHAT) celebrates 30 years of Cape Cod performances. In addition to its own productions, WHAT screens films and live theatre events streamed from venues around the globe.

Cape Codders appreciate a straightforward approach, and at Wellfleet's Bookstore & Restaurant, that's what they get. The books-and-fine-dining combo has proven a success, since the company celebrated its golden anniversary in 2014.

50

61%
Approximately 12.5 square miles (or 8,000 acres) of the Cape Cod National Seashore is located in Wellfleet. That figure represents approximately 61 percent of the town's entire land area. Get out there—you can't miss it!

100' x 44'

Take in a double feature at the Wellfleet Drive-In and enjoy a classic or a new release on the 100-by-44-foot screen. Grab a snack and settle in for some chills, thrills, and nostalgia. The drive-in is open every night in summer.

157
On November 21, 2014, Wellfleet Bay Wildlife Sanctuary staff rescued 157 cold, stunned, and endangered sea turtles—the most in the organization's 30-plus years. Visit the nature center to learn more about these efforts.

295
Uncle Tim's Bridge, a 295-foot wooden span crossing Duck Creek, was restored in 2008. The footbridge connects Cannon Hill/Hamblin Park to Wellfleet's central village. Park in the village center; cross the bridge; snap a selfie; repeat!

3,000
During the 1930s, the 30-foot, cast iron Mayo Beach Lighthouse tower was moved 3,000 miles west of Wellfleet, Point Montara, California. The light keeper's cottage remains, and though privately owned, it can be seen on Kendrick Avenue.
